

FINANCIAL TRANSFORMATION

Making Financial Health
A Spiritual Exercise

Deny that lack has any place or reality in your thought or your affairs and affirm plenty as the only appearance. Praise what you have, be it ever so little, and insist that it is constantly growing larger.

-Charles Fillmore

Do not conform to the pattern of this world, but
be transformed by the renewing of your mind.

IS YOUR CHURCH A
COMMUNITY OF
EMPOWERED
CREATORS?

Allowing love to flow
through us, as us,
transforms not only our
lives but also the lives
of others.

THE POWER
OF STILLNESS

Embrace silence and stillness to cultivate inner peace and hear the whispers of the indwelling God.

Rediscover the transformative potential of quieting the mind and soul.

Unless you do the spiritual work, no amount of budgeting or financial planning can assure your financial success. It's when you do the spiritual work that the rest begins to fall into place.

COMMUNITY AS A SPACE TO EXPERIENCE TRANSFORMATIVE LOVE

Money is love made manifest.
Explore the beliefs in your
community around money and
begin to intentionally change
them.

"The money is in your pocket.
What do you want to create with
it?' WHY IS YOUR CHURCH
IMPORTANT?"

BE VERY SPECIFIC. What does
your community need? If it doesn't
arrive, BE VERY SPECIFIC. What
will you change?

MONEY IS NOT THE
MINISTER'S JOB.

ITS THE BOARD'S JOB

- Does Your Board Agree?
- How Does Your Board Address Money?
- Are YOU Teaching Them?
